

## **.22 Club Championship 2014**

**Sunday 5th October. 10:00am @ Drums Range**

**Match Director: *Charles Bestwick***

### **Notes:**

1. A different rifle may be used for each match but the same rifle must be used for all practices within a match. Any number of magazines can be used throughout the match.
2. Slings are allowed in Match 1 only. No other artificial support is allowed.
3. Any sights may be used but lasers are not allowed.
4. All members are welcome to take part. Probationary members may shoot under supervision. Special provision for disabled (disability shooters) will be made (this does not apply to those who merely find it uncomfortable to kneel or go prone).
5. Scoring : Inward scoring. A shot hole, the leaded edge of which comes in contact with the outside of the bullseye or scoring rings of a target is given the higher value. A scoring overlay gauge will be used to determine the value of close shots. The higher value will be allowed in those cases where the flange on the gauge touches the scoring ring.
6. In case of keyhole or tipped shots the higher value is awarded if the leaded edge of the bullet hole touches the scoring ring of higher value even though the hole is elongated to the bullet's length rather than being a circle of the bullet's diameter.
7. Shots fired while the target is in motion will be scored as hits provided the greatest horizontal dimension of the bullet hole measures no more than one and one-half (1½ ) times the diameter of the bullet.
8. Visible hits and close groups. As a general rule only those hits which are visible will be scored. An exception will be made in the case where the groupings of **3 or more shots** are so close that it is possible for a shot or shots to have gone through the enlarged hole without leaving a mark and there has been no evidence that a shot or shots have gone elsewhere than through the assigned target. In such a case, the shooter will be given the benefit of the doubt and scored hits for the non-visible shots, on the assumption they passed through the enlarged hole. If such assumption should place a non-visible hit in either of 2 scoring rings, it shall be scored in the higher-valued ring.
9. Sign in 10:00am, Competitors Briefing 10:20am.
10. Cost £5-00
