## General Rules & Information

All entries welcome. Probationers may shoot under supervision. Registration 10:00am. Cost £5.

1. Any pistol calibre centre fire gallery rifle (GRCF) is eligible. Centre fire long barrel revolvers (LBR) may compete alongside GRCF rifles for this championship.
2. Competitors may re-enter with the same or different GRCF rifle or LBR for a cost of £3 BUT only the first entry will count towards the PC-Championship.
3. Competitors will be expected to assist, if required by the Range Officer, with scoring / patching etc. on the day.
4. Scoring: Inward scoring. A shot hole, the lead edge of which comes in contact with the outside of the bullseye or scoring rings of a target is given the higher value. A scoring overlay gauge will be used to determine the value of close shots. The higher value will be allowed in those cases where the flange on the gauge touches the scoring ring.
5. In case of keyhole or tipped shots the higher value is awarded if the lead edge of the bullet hole touches the scoring ring of higher value even though the hole is elongated to the bullet's length rather than being a circle of the bullet's diameter
6. Shots fired while the target is in motion will be scored as hits provided the greatest horizontal dimension of the bullet hole measures no more than one and one-half (1½) times the diameter of the bullet.
7. Visible hits and close groups. As a general rule only those hits which are visible will be scored. An exception will be made in the case where the groupings of **3 or more shots** are so close that it is possible for a shot or shots to have gone through the enlarged hole without leaving a mark and there has been no evidence that a shot or shots have gone elsewhere than through the assigned target. In such a case, the shooter will be given the benefit of the doubt and scored hits for the non-visible shots, on the assumption they passed through the enlarged hole. If such assumption should place a non-visible hit in either of 2 scoring rings, it shall be scored in the higher-valued ring.
8. This competition counts towards the overall Club Championship. Ten points will be awarded to the winner, nine to second, and so on down to tenth place.
9. In event of tied scores for major placings, decision will be on count back. Thereafter if scores are still tied there will be a 10 round 5min precision shoot off (PL8) at 25m.
